

International Conference on Cancer and Oncology (ICOC 2027)

29th - 30th January 2027

Online Conference

Welcome to ICOC 2027

We are pleased to welcome you to the **International Conference on Cancer and Oncology (ICOC 2027)**, taking place online on **29th - 30th January 2027**.

ICOC 2027 will bring together a diverse international community of **oncologists, cancer researchers, clinicians, healthcare professionals, educators, policymakers, and industry experts** to exchange knowledge, present innovative research, and explore emerging developments across the fields of cancer and oncology.

The conference will provide a dynamic platform for meaningful discussions, interdisciplinary collaboration, and the sharing of evidence-based practices aimed at advancing cancer prevention, diagnosis, treatment, and patient care. Through expert presentations and engaging scientific sessions, participants will have opportunities to gain new insights, explore emerging approaches in oncology, connect with colleagues, and contribute to shaping the future of cancer care.

We warmly invite you to be part of this global gathering and to share your expertise, research, ideas, and experiences with colleagues from around the world.

Together, let us advance cancer research, foster global collaboration, and promote innovative and resilient approaches to cancer care worldwide.

We look forward to welcoming you to ICOC 2027!
